

CREATE MAGIC MOMENTS

WITH **Disney**

Hiya, Friends!

Get ready to turn bedtime into family fun time as you join Mickey Mouse and Donald Duck on an out-of-this-world trip to the moon!

Be bold and create your own fun adventure with these *Mickey Mouse and His Spaceship* activity cards. Simply cut along the dotted lines on the sheet. Then mix up the cards and select one at random from each category: Bath Time, Get into PJs, Brush Teeth, Bedtime and Storytime.

After completing all five activities, mark your progress for the night on the rewards chart shown below.

Happy travels, adventurer!

Time to select your favorite books to take on the moon expedition. Explain what you love about them.

©Disney

Peg-Leg Pete is flying the spaceship and we're coming in for landing. Make sure everything is properly secured.

©Disney

Brush, brush, brush! It's time to make moon foam.

©Disney

Time to climb into your spacecraft for blastoff.

©Disney

Oh, no! Peg-Leg Pete stole the ship. Did he hide it in your mouth?

©Disney

Put on your mechanics suit and help Mickey Mouse repair the rocket.

©Disney

Donald Duck needs help. Let's check and clean the gears before takeoff.

©Disney

Disguise yourself like an alien to surprise Mickey Mouse and Donald Duck.

©Disney

Time to help Mickey Mouse and Donald Duck clean the spaceship and wash it down.

©Disney

Time to put on your spacesuit to keep you safe in space.

©Disney

Did you know that you're weightless in space? Time to train for zero gravity by entering the water tank.

©Disney

Discover two books on the moon and describe what they each might be about from their covers.

©Disney

Prepare for space. All astronauts must be squeaky clean and germ-free before takeoff.

©Disney

Let's read Mickey Mouse's flight journal and prepare for space travel!

©Disney

Mickey Mouse's turning over his captain's chair to you. Where will your dreams take your spaceship?

Rewards Chart

The rewards chart is a winding path of 30 numbered sections, each containing a different space-themed illustration or text. The path starts at the top left and ends at the bottom center. The sections are numbered 1 through 30. The illustrations include a rocket, a comet, a planet with rings, a rocket in flight, a moon, and a character on the moon.

Section Number	Illustration / Text
1	Rocket in flight
2	Comet
3	Planet with rings
4	Planet with rings
5	Planet with rings
6	Planet with rings
7	Planet with rings
8	Check your instruments
9	Planet with rings
10	Planet with rings
11	Spaceship disappears
12	Planet with rings
13	Planet with rings
14	Planet with rings
15	Planet with rings
16	Planet with rings
17	Ready to takeoff
18	Planet with rings
19	Planet with rings
20	Planet with rings
21	Planet with rings
22	Planet with rings
23	Planet with rings
24	Oxygen is low
25	Rocket in flight
26	Planet with rings
27	Moon walk
28	Planet with rings
29	Planet with rings
30	Collect moon rocks
